Please note:

The BCMA Funeral Services tries the utmost best to accommodate family wishes in accordance to Islamic values including, as soon as possible burials. In order to accommodate same day funeral and burials, the BCMA funeral staff requires, in their possession, the cemetery okay, body release and the signed medical certification of death by 10:30 am. Failure to attain the above mentioned by 10:30 am would result in a delay to the next day.

Ships outs involve processes which do not agree with Islamic values. BCMA, being a religious organization, does not provide ship out services. BCMA only provides the traditional religious rites associated with the ritual funeral washing and prayers. All other processes must be undertaken by a commercial licensed funeral home which the family must hire and pay them for their ship out services. Ship outs involves invasive medical treatments of the body called embalming and the ship out arrangements, depending on the case, can take up to approximately 2 weeks. BCMA with the support of the religious board, recommend that families do not ship out their deceased members. If they still choose to ship out, we would provide only the religious services as per package c ship out.
